WHAT YOU NEED TO DO

Register on www.CampMeds.com (you may register prior to obtaining prescriptions).

Note the Camper ID # you will receive when you complete the online registration and print your receipt.

Obtain original prescriptions written for 30-day increments. If your child attends camp over 30 days, Rx's must have a refill.

FOR CONTROLLED SUBSTANCES ONLY

If your child is staying longer than 30 days, law requires a new Rx for each 30-day supply. Two separate 30-day Rx's are required for Controlled Substances. Send all prescriptions together. We must receive the original Rx. Please provide your physician with the Physician Instructions located in the About Us Tab on the website.

- Prescriptions are filled as written. It is your responsibility to confirm the correct medication, dose and exactly how and when your child takes the medication prescribed.
- Write Camper ID # on top corner of prescriptions. *Do not send us medication, only the written RX. Non-prescription meds/vitamins; physician's authorization or written directions by parent required. Include a copy of both sides of your insurance/prescription card.
- Mail prescriptions, registration receipt and copy of insurance card directly to:
CampMeds, PO Box 267037, Ft. Lauderdale, FL 33326-7037

FEES

There is no additional cost to you for this service. Camp Ramah pays the *CampMeds* fee.

You are responsible for the cost of medication. Your credit card information is required upon registration and will be used by the pharmacy for all medication charges and co pays.

DEADLINES

- 30 days prior to your camper's start date, a \$25 late fee will be charged to your credit card if any of the items above are received after deadlines.
- Please be aware that your credit card will be charged any additional shipping cost for medication prescribed after your child's initial medication and/or refills have been sent to camp.

EMAIL NOTIFICATION

You are notified by email when *CampMeds* receives your online registration, when your prescriptions are received and when meds are sent to camp. Contact us if you do not receive a confirming email within one week of sending prescriptions.

INSURANCE/PRESCRIPTION MEDS

EXACTLY WHICH MEDICATIONS AM I REQUIRED TO HAVE *CAMPMEDS* DISPENSE?

All prescription and non-prescription meds and vitamins (taken daily and "as needed")

Except the following: Accutane, insulin, growth hormone injections, birth control pills and as needed Lactaid

- Most camps stock drugs such as Tylenol, Advil, Benadryl, etc.; you do not need to have *CampMeds* dispense those typical items if they are only taken "as needed." Check with your camp to confirm the OTC meds they stock.
- If your camper takes herbal/specialty vitamins, please contact *CampMeds* to determine if they can be packaged.

HOW CAN I BE SURE THE MEDS WILL BE PACKAGED EXACTLY THE WAY MY CHILD TAKES THEM?

It is your responsibility to check that the written prescription is written correctly. If the med is to be taken daily, the prescription should be written for every day with the time of day, such as morning, with lunch, etc. If the med is to be given at bedtime, the prescription must specify. If a prescription is written as "once a day" with no specific time, the medication will be packaged for the morning. If the med is taken only "as needed" (PRN), the prescription must be written to specify only "as needed."

DO I NEED TO REGISTER MY CHILD AGAIN IF I REGISTERED LAST SUMMER?

Yes, you need to register for this summer and your child will be assigned a new Camper ID.

HOW CAN I ENSURE THE MEDS WILL BE COVERED BY THE *CAMPMEDS* PHARMACY PARTNER?

Be sure the prescriptions we are filling are written exactly the way your child has always taken the medication. Review the Rx with your physician before sending to *CampMeds*. If a new medication OR dose is prescribed, contact your prescription plan to confirm the med and dose is covered for a 30-day supply.

WILL THE PHARMACY ACCEPT MY INSURANCE?

Our pharmacy partner is contracted with most insurance plans however, until you submit your Online Registration Form with complete insurance information, your plan cannot be verified for billing. We will contact you if the pharmacy is not on your plan. You will not be required to participate in the *CampMeds* program if your insurance will not pay for medicine dispensed by our pharmacy. It is *CampMeds* responsibility to verify the pharmacy is a provider for your insurance plan. You will be responsible for co-pays, deductibles and any over-the-counter requests not covered by insurance. If you have an insurance change, please fax the updated insurance card to *CampMeds* in order to avoid the credit card charges for the full cost of medication. All credit card charges from the pharmacy will appear as a separate charge *after* your child returns from camp.

WILL MY CO-PAY BE THE SAME FROM THE *CAMPMEDS* PHARMACY?

30-day supply of meds is required. It is against the law for a "controlled substance" to be refilled. Please send a separate prescription for every 30-day supply. All prescriptions for the child's camp stay should be received by *CampMeds* at the same time. You may explain that we can accept two separate 30-day prescriptions written for the same date, but they will only be dispensed one month at a time. The physician may also write both prescriptions each with a different date. Please visit our website at www.campmeds.com for a detailed letter you may give your physician on controlled substance prescriptions to be dispensed by the *CampMeds* pharmacy.

WHAT IF MY CHILD IS PLACED ON A PRESCRIPTION OR NON-PRESCRIPTION DAILY MEDICATION AFTER THE DEADLINE DATE TO REGISTER AND SUBMIT PRESCRIPTIONS HAS PASSED?

CampMeds will always accommodate all campers at anytime. You may be asked to send your child with a small supply of meds as back up and the \$25 late fee will apply.

WHAT IF MY CHILD REQUIRES A NEW MEDICATION WHILE AT CAMP?

Our pharmacy will always send out any additional medication and/or dose change. You will be charged the shipping cost for any med change or if additional meds are ordered and sent to camp after your initial medication and/or refills have been sent.

WHEN WILL THE PHARMACY CHARGE ME FOR MY CAMPER'S MEDICATIONS?

Since our pharmacy partner will not submit to your insurance until camp begins, you may not receive a charge on your credit card until two months after your camper returns home. Please notify us of any credit card changes during the summer.
