THE BASICS

- **Kosher** – All food is certified kosher and under the supervision of the Conservative Movement.
- **Vegetarian** – When we serve meat or fish there is always a vegetarian option.
- **Gluten-Free** – While our kitchen is not Gluten-Free and cross-contamination is possible, there is a selection of Gluten-free food offered at meals for those who need.
- **Dairy-Free/Vegan** – At every meal we strive to serve a dairy-free (usually vegan) option for campers and staff as well as offering soy milk and lactaid milk at breakfast.
- **Daily Snacks** – We provide healthy snacks like fruit, popcorn, or cheese sticks for all campers and staff during the day.
- **Nut-Free** – Camp Ramah is a nut-free community, however we do serve products that are made in a facility that also processes nuts.
