

TIKKUN OLAM

We are all hoping for a sweeter 5781 and we can all help make that happened with some simple acts of tikkun olam. Tikkun olam is often translated as “repair of the world,” but it also holds the meaning of simply making the world a better place.

Here are 2 easy and quick ways you and your family can make the world brighter place during the pandemic:

- **Send a free card to volunteers and workers at a Feeding America Food Bank to say “Thank you” for helping hungry Americans.
