Weinstein Conference & Counselor Fellowship - Etzah 2021 & Binah 2021

Join *tzevet* across all Ramah camps for a virtual winter conference (January 3-5, 2021), and year-long counselor fellowship! In addition to National Ramah's typical movement-wide winter conference, this year National Ramah will also be launching a fellowship which will meet 2x/month to explore *hadracha* (leadership), child development, mission of Ramah, building Jewish program, how to be ambassadors of the Hebrew-language, *Tfillah* education, and independent work on long term projects within the topics of gender identity & expression, Israel education, anti-racism and inclusion, etc. to name a few.

All participants **must**: be rising Etzah or Binah *tzevet*, apply to work at camp for Kayitz 2021, be available to attend the virtual conference from January 3-5, 2021, and be available for most bi-monthly cohort calls. *Opportunity for a stipend if you opt-in to participating in the Weinstein Conference & Counselor Fellowship, **as well as** helping plan/run 3 Ramah CA events leading up to Kayitz 2021!

Ramah Service Corps (RSC) - Koach 2021 and older (must be in college or graduate school)

We are looking for dynamic and spirited rising Koach through Klal *tzevet* members to comprise the 2020-2021 cohort of Ramah Service Corps (RSC) Fellows. As an RSC fellow, you will bring your energy and enthusiasm to year-round, virtual, Ramah programs, and inspire additional families to consider Ramah for their chanich-aged children. As an RSC fellow, you will act as a Ramah ambassador and will work closely with the year-round team to create a minimum of 3 programs a month (October-June). RSC is a time commitment of 3-4 hours/week to organize Ramah style programs for children, teens and families, and is a paid leadership opportunity.
